

# Sentinel Series - Ducted Split Cooling Systems

## Option Bundles & Accessories

### All Wine Temperatures Bundle (on the evaporator section)

Allows a Wine Guardian unit to control to an extended temperature range from 45°F(7°C) to 64°F(18° C)

- Perfect for single to multiple cabinet applications and small wine rooms in which serving-temperature cooling is preferred

### Integral electric heater coil and controls

- Protects the wine cellar from low temperature conditions
- Ideal for areas where ambient temperatures fall below 50°F/10°C

### Extreme Climate Protection Bundle (on the condenser section)

Required for continuous operation of Wine Guardian manufactured condensing units in climates that fall below 20°F

### All Wine Temperatures Bundle

Allows the user to rotate wine stock and change the set point from season to season, making it ideal for restaurants, wine bars, clubs, etc.

### Extreme Climate Protection Bundle

Enables the condenser to operate in temperatures as low as -20°F.

# Sentinel Series

# Sentinel Series - Ducted Split Cooling Systems

## Options Bundles & Accessories

### Humidification

**Drip pad type humidifier with integral evaporator fan, water valves, and controls**

- Accessible humidifier pad for ease of maintenance
- Powered by 24 Volts from Wine Guardian unit; no separate power connections
- Cellar-mounted digital humidistat for precise humidity control
- Available as either freestanding or integrated models

Integrated Humidifier

### Duct Collars

**One supply and one return duct collars are standard. May be ducted from multiple outlets for applications versatility.**

- Molded plastic design provides lightweight, rigid piece for connection to ductwork
- Can be sold as kits with flexible ductwork

### Thermostat & Remote Sensing

**For optimal temperature control and humidity readout of the wine cellar**

- Can be placed anywhere within the wine cellar
- Up to 3 remote sensors can be connected to one Wine Guardian system to regulate your cellar based on average cellar conditions
